Help when you need it most.

INSURANCE

I want my home and contents to be looked after.

Solved.

INSURANCE
Help when you need it most.

RACT home, contents and personal effects insurance includes all the standard features, such as cover for storm, fire and theft, as well as many additional features that make us the leading home insurer in Tasmania.

No increase in premium if you make a claim

Insurance can be complicated enough without wondering if making a claim will affect your no claim bonus. With RACT home insurance, we won't increase your premium just because you've made a claim.

Receive a 25% extra cover safety net at no extra cost

Following catastrophes like storms, bushfires and floods, shortages of tradesmen can dramatically increase repair costs. If your sum insured isn't high enough, you could be out of pocket. Only RACT Insurance offers the security of a safety net that gives you an extra 25% on your building cover at no extra cost.

Unlimited cover for CDs and DVDs

Got a large music or movie collection? At RACT Insurance we include unlimited CD and DVD replacement as standard under your contents policy.

Cover for flood

Some major insurers do not cover homes for flood. At RACT Insurance, flood cover is standard with all home and contents policies.

Virtual safe

Safekeeping of paper receipts and warranties can be difficult. The RACT Insurance virtual safe (www.ractinsurance.com.au/virtualseafe) allows details – including photos and scanned documents – of all your valuables to be securely stored.

Repairs guaranteed for life

RACT Insurance guarantees the quality of materials and workmanship of repairs that we authorise and arrange, for the lifetime of your home.

Green features

RACT Insurance will contribute towards the cost of installing

solar panels, solar hot water, or a rainwater tank if your home is destroyed. When replacing white goods, a minimum 3 star-rated replacement will be provided.

Personal effects cover

Items such as wedding rings, laptops and mobile phones can all be covered for loss, damage and theft even if you are away from home.

Flexible excesses to reduce premiums

You can save up to 50% on your premium by choosing a higher excess.

For a quote on home insurance or to discuss your insurance needs call 13 27 22 or drop into your local branch.

Of course, with RACT Insurance you will enjoy all the flexibility, features and benefits you expect from Tasmania's leading insurer such as:

- The convenience of a Personal Insurance Portfolio. At RACT Insurance you can combine your car, building and contents policies and **receive up to 10% discount**, and avoid the hassle of multiple policies.
- Great discounts for customers aged over 50 who are not working full-time.
- Paperless claims. If you wish to make a claim simply call 13 27 22 and your claim can be lodged over the phone 24 hours a day, 7 days a week.
- Local branches and call centres. When things go pear-shaped, talk to a Tasmanian who understands your situation.
- Optional excesses to suit your requirements.
