RACT and the Hobart Hurricanes bowling up rewards for all Tasmanians

The RACT and the Hobart Hurricanes are bowling up rewards for all Tasmanians as the community grapples with significant challenges.

RACT Executive General Manager, Membership and Community, Stacey Pennicott, said that as the community deals with COVID-19, the RACT is looking for ways to help all Tasmanians.

“The RACT has been a part of the Tasmanian community for over 95 years. Since 1923, we’ve always been there for Tasmanians and during the COVID crisis we know we need to do more to support you,” Ms Pennicott said.

“That’s why we’re offering every Tasmanian the chance to join our Rewards program for free, even if you’re not a member of Roadside Assist, have insurance or travel with us.

“It’s just a taste of the benefits of being a member, but it could help many Tasmanians during the difficult months ahead.

“As part of our rewards program, Tasmanians can save by shopping with one of over 75 partner businesses on everything from food to fuel to cricket memberships.”

Ms Pennicott said the RACT wants to help local businesses get back on their feet as well.

“We’re also offering Tasmanian businesses free entry into the RACT Rewards Program. With direct access to 200,000 RACT members, it’s a great opportunity to attract new customers, grow your business and help the Tasmanian economy get back on its feet.”

One of Tasmania’s most iconic teams, the Hobart Hurricanes, has recently signed up and is offering Rewards members the chance to save on their Hurricanes membership.

RACT are proud to announce the renewal of the continued partnership with the Hobart Hurricanes.

Hobart Hurricanes General Manager, Scott Barnes said it was important all Tasmanians worked together as the State recovers from the COVID-19 emergency.

“The Hobart Hurricanes are Tasmania’s Team. We know that it’s tough at the moment, but we hope that by working together we can make life just a bit easier for the community,” Mr Barnes said.

“If you sign up for Royal Rewards you’ll receive 10 per cent off member packages from the Hobart Hurricanes.

“People are looking for some light at the end of the tunnel and I can’t imagine anything better than being able to sit on the Cadbury hill on a summer evening watching the Hurricanes do battle against the best Big Bash cricketers in the country.”

Hobart mother, Jo Ranalli, said every bit helps as they try to make ends meet.

“It’s great that by becoming an RACT Rewards member we will be able to save money on the essentials. Not only that, we will be able to save money every time we come to watch the Hurricanes. I can’t wait to bring my son Charlie to Bellerive later this year and cheer on our men’s and women’s teams,” she said.

Ms Pennicott said full details for becoming an RACT Rewards member or to register your business are available at www.ract.com.au or by calling 13 27 22.
