Claim on your policy by calling us on 13 27 22

We understand that having your caravan or trailer damaged or stolen is a stressful experience – we can answer all your questions and help you with everything that needs to be done.

Call us as soon as possible if your caravan or trailer has been:

- damaged and/or has caused damage to another person's property;
- stolen – report the theft to the police and us.

You can help us by noting the details of the incident. Other than telling us what happened, the most important details you can help us with are:

- the registration number of any other vehicles involved; **and**
- the names, addresses and phone numbers of their drivers, the owners of any other property damaged and any witnesses.

Excesses

An excess is the amount you must contribute towards each claim. The excesses we apply are:

- **Basic Excess** – applies to all claims (except as detailed below).
- **Age Excess** – applies based on the driver of the vehicle towing the caravan or trailer at the time of the incident.
- **Additional Excess** – may be applied when some aspects of the caravan or trailer or drivers to be insured fall outside our normal underwriting guidelines.

The amount and types of excesses that may apply are shown on your current schedule. You may have to pay more than one excess. The relevant excesses are payable for each claim you make on your policy (except in the limited circumstances outlined below under the heading **An excess is payable on all claims except**).

Your excess does not have to be paid at the time of lodging your claim. It will have to be paid before your claim is finalised. We will tell you when your excess is to be paid and how it is to be paid. If you are experiencing financial hardship, please contact us to discuss how we may be able to assist with respect to the payment of excess. This could include the deduction of the amount of the excess from the amount to be paid under the claim, or we can arrange a payment plan for you.

An excess is payable on all claims except:

- incidents involving another vehicle where we agree the driver of the other vehicle is at fault;

Excesses (continued)

- the theft of your caravan or trailer;
- malicious damage to your caravan or trailer;

and you provide us with sufficient information for us to identify the person responsible (for example, name, address, registration number of the person's vehicle). If you cannot provide this information, any excesses that apply to your policy must be paid by you.

When your caravan or trailer has been damaged

When your caravan or trailer has been accidentally damaged in an incident covered by your policy, at our option we will, either:

- repair your caravan or trailer; or
- pay you a cash settlement to repair your caravan or trailer; or
- declare your caravan or trailer a total loss. See [When we declare your caravan or trailer a total loss on page 8](#).

If your caravan or trailer can be safely repaired we will choose the repairer.

You must:

- make your caravan or trailer available to us if we require it;
- not carry out or have any repair work carried out without our prior authorisation other than [Emergency Repairs – see page 8](#).

If we agree to pay you a cash settlement at your request (and we would otherwise opt to repair) we will pay you what it would cost us to repair the damage to your caravan or trailer which is covered by your policy.

If we pay you a cash settlement at our option we will pay you what it will reasonably cost you to repair the damage to your caravan or trailer which is covered by your policy.

Guaranteed repairs

We guarantee the quality of the materials and workmanship used in repairs we authorise for as long as you own your caravan or trailer. We will rectify any problems arising from the repair that we agree have been caused by faulty materials or workmanship.

The caravan or trailer covered by this policy is the caravan or trailer described on your current schedule. It includes options, accessories and any modifications fitted to the caravan or trailer which have been notified to us.

Cover for your current caravan or trailer ends at the time you buy the replacement caravan or trailer. You must advise us of details of the replacement caravan or trailer within 14 days of buying it and we may charge you an extra premium and/or add special conditions to your policy. We may refuse to offer cover for the replacement caravan or trailer beyond the 14 days for the replacement caravan or trailer if it does not comply with our underwriting requirements.

Limit: The most we will pay for cover of your replacement caravan or trailer until you advise us of the details of your replacement caravan or trailer is the Market Value.

Your policy does not cover:

We may refuse a claim and cancel your policy if:

- you do not keep the insured caravan or trailer in good order and repair (including free from rust, mechanical, hail or unrepaired damage, or any other damage that would make it unsafe);

- your caravan or trailer was:
 - loaded contrary to law;
 - being let on hire;
 - being used in an unsafe condition;
 - being towed in a reckless manner.

Where any of the acts referred to in this part of the policy could reasonably be regarded as being capable of causing or contributing to a loss in respect of which insurance cover is otherwise provided by this policy, we may refuse to pay some or all of the claim. Alternatively, if our interests have been prejudiced as a result of that act, then we can reduce the amount that we pay under the policy by an amount that fairly represents the extent to which our interests have been prejudiced.

When you make a claim

You or any other person covered by your policy must not make admissions, settle, attempt to settle or defend any claims without our consent. We have the sole right to make admissions, to settle any claims against and to defend you or any other person covered by your policy in any proceedings.

Before we make a decision about your claim, we may assess the damage to your caravan or trailer and investigate the circumstances of the claim. If we require it, you must make your caravan or trailer available to us for inspection and, in all cases, co-operate with our investigators.

If you will be making a GST input tax credit claim, please see [Goods and Services Tax \(GST\) on page 18](#) for further information.

We will tell you if one or more excesses are payable. (See [Excesses on page 4](#) for further details).

If you have any questions or require information about your claim (including a transaction confirmation) you can call us on 13 27 22.

About No Claim Bonuses

Your No Claim Bonus

Your No Claim Bonus is a discount on the premium payable and is shown on your current schedule. For each year you do not claim on your policy, the discount increases until it reaches a set maximum.

Some types of claims do not affect your No Claim Bonus

Your No Claim Bonus will not be affected if:

- you are involved in an accident where we agree the driver of the other vehicle is at fault, and you provide us with sufficient information for us to identify the person responsible (for example, name, address, registration number of the person's vehicle);
- your claim is for malicious damage or theft of your caravan or trailer, and you provide us with sufficient information for us to identify the person responsible (for example, name and address) for the damage to your caravan or trailer;

For all other claims your No Claim Bonus will be affected.

About your premium

How we calculate your premium

When we calculate your premium, we take a number of factors into account including, but not limited to:

- the period of insurance;
- the make, model and year of the insured caravan or trailer;
- the address where you normally keep the insured caravan or trailer;
- the security measures you have in place;
- the caravan or trailer's Agreed Value;
- the excesses payable by you in the event of a claim;
- your previous insurance and driving history; and
- your other RACT Insurance policies, if any.

The total premium payable by you also includes compulsory government charges (including duties and GST). The details are shown on your current schedule.

Why the cost of insurance can change

Each time you renew your insurance, your premium is likely to change, even if your personal circumstances have not changed. The premiums we charge are affected by factors including:

- the cost of claims we have paid;
- the expected cost of future claims;
- any effect from a claim you have made;
- any changes in government taxes and charges; and
- our business administration costs.

Paying your premium

At our option, you may pay your premium annually or in instalments.

Payment in full

If your premium is not paid by the due date, you may not be covered for any claims.

Payment by instalments

- At our option, you may pay your premium in instalments by direct debit from either your financial institution or your credit card.
- If you pay by instalments a surcharge on your premium may apply.
- Your responsibilities include:
 - providing us with your account details and an authority to deduct payments; and
 - ensuring that sufficient funds are available in your nominated account to pay each instalment.
- You must tell us if you change any of the account details.
- If the account details you provide are incorrect or there are insufficient funds in your account, any additional fees or administration costs incurred because of the non-payment are payable by you.
- If you are paying by instalments, any unpaid portion of the total premium for the current period of insurance must be paid by you before your total loss claim can be completed. We will advise you if we decide to deduct the outstanding premium from your claims settlement.
- If your instalment payments are in arrears at the time of a claim you will need to pay the outstanding amounts before your claim can be completed. We will notify you if we decide to deduct the outstanding premium from your claims settlement.
- At renewal, we continue to deduct instalments until you tell us to cancel or change that arrangement.
- If your premium increases due to a change to your policy, we will adjust your instalment amounts and commence deducting the new amount from your next instalment date. We will confirm any changes to your instalment plan in writing to you. If all of your instalments have been made, a once off payment will be processed.

Payment schedule

- Your first payment will be withdrawn from your nominated account five days from your direct debit arrangement being set up.
- Subsequent payments will be deducted on your nominated date.
- If we are unable to process your payment on the nominated date, we will do so as soon as possible thereafter.
- Where the nominated payment date falls on a non-business day, we will deduct the scheduled payment on the next business day.

Renewal payment by instalments

- If you already have an existing instalment agreement with us and we invite renewal, we will continue to deduct payments from your nominated account when your policy is renewed, **unless** you inform us otherwise.
- If your premium changes at renewal, we will adjust your instalment amounts and commence deducting the new amount.

Changing your arrangement with us

- If you need to change any details of your direct debit arrangement please let us know before:
 - your next scheduled payment; or
 - the due date of the payment to which the changes will apply.

Overdue payments

- If your payment is overdue by:
 - more than 14 days after its due date, we may refuse any claim made for incidents occurring during the period the policy is unpaid;
 - one month, the cover your policy provides will cease **unless** alternative arrangements have been made directly with us.
- If two or more payment requests are not honoured by your financial institution, we may cancel your policy. We will advise you in writing if we are going to cancel your policy.
- If you cancel your payment arrangements, all outstanding amounts will be due and payable within 14 days from the cancellation date. If payment is not made, your policy will be cancelled and we will confirm the cancellation in writing.
- We may employ an external agency to collect payments owed to us.
- We accept payment by instalments at our option. We may not offer this option on future cover if there is a history of not meeting instalment payment obligations.

Important general information

Our agreement with you

When we agree to enter into a policy with you, we will provide you with a schedule which sets out the cover you have and what you have told us about your caravan or trailer, you, your joint policyholders, if any, and the regular drivers of your caravan or trailer. Your current schedule, this PDS and any supplementary PDS we may give you make up your agreement with us.

Please read the current schedule to ensure the details it provides are correct – if anything needs changing please call us. Please keep these documents in a safe place.

More than one insured

If your current schedule shows more than one named insured, any actions including, but not limited to, changes, requests, cancellations, omissions, statements, claims or acts generated by one insured will be treated as having come from all those named as insured on your current schedule.

We may agree to make any requested changes without notice to any other person named as insured on the current schedule.

Changes to your policy

You must contact us when:

- your contact details change;
- any information on your current schedule is no longer accurate, such as the risk address and sum insured;
- you make any modifications to your caravan or trailer;
- you start to operate or intend to use your caravan or trailer for business purposes;
- there are any changes to business activity that we have accepted when insuring your caravan or trailer;
- you have had another insurer cancel or decline an insurance policy, impose specific conditions on a policy or refuse a claim;
- you purchase a new caravan or trailer or sell the caravan or trailer insured by this policy;
- you intend to let your caravan or trailer for hire;
- you are convicted of any of the following criminal offences: fraud, theft, burglary, arson, criminal, willful or malicious damage, drug offences.

When you advise us of any changes, and we agree to make the change to your policy, we will give you written confirmation of our agreement to the changes. We may apply an additional excess, charge additional premium or impose a special condition on your policy. In some cases, we may no longer be able to offer you cover and if this occurs we will cancel your policy. For full details, see [Cancelling your policy on page 17](#).

Notices

We will give you notice in writing. The notice will be effective if it is delivered to you personally or if it is sent to your address last known to us, including when it is sent to your nominated email address.

When we offer to renew your policy, we will send you a renewal notice at least 14 days before your policy expires. If we decide not to offer to renew your policy, we will advise you of this decision at least 14 days before your policy expires.

Your responsibilities

You must:

- Answer our questions honestly, accurately and to the best of your knowledge. You have a duty to take reasonable care not to make a misrepresentation to us when we ask you questions before we agree to insure you (and before we agree to renew or vary your policy). If you make a misrepresentation to us and it is made fraudulently we may treat the contract as if it never existed;
- take reasonable steps to prevent loss, damage or legal liability;
- provide honest and complete information for any claim, statement or document supplied to us.

If you do not meet your responsibilities we may cancel your contract or reduce the amount we will pay you if you make a claim or both.

Cooling-off period

You have **21 days** from the commencement of your policy in which you can cancel it. All you need to do is contact us on 13 27 22 or visit your nearest branch. You do not need to give us a reason. Provided you have not made a claim under the policy, we will cancel it and provide you with a full refund of the premium you have paid. You will not be able to make any claim under the policy once you have cancelled it.

Cancelling your policy

You may cancel your policy at any time. We will refund the unused pro-rata portion of the premium.

If you are paying your insurance by instalments, any refund will be credited against your remaining instalments. If no instalments are remaining, or you are cancelling your entire policy, we will refund you the unused pro-rata portion of your premium.

We can cancel your policy in any way permitted by law. If we do so, we will:

- give you prior notice in writing; **and**
- refund any premium you have paid for the period after the date of cancellation.

Co-operation

Any benefits we give you under the policy depend on you or any other person covered by the policy giving us any information and help that we require, including attending court to give evidence.

You or any other person covered by the policy must tell us if any part of your claim is also covered by another insurance policy.

You must be truthful accurate and frank in any statements you make in connection with a claim or your policy.

You or any other person covered by the policy must assist us even if we have already paid a claim, as we may attempt to recover from a third party who caused you to suffer the loss or damage. We may also want to defend you if it is alleged that you caused someone else loss or damage.

If you or any other person covered by any policy receive any letters, notices or court documents relating to any incident that has or might result in a claim, you must send these to us as soon as reasonably practicable. This is because important time limits often apply to these documents and in particular court documents.

If you fail to fully co-operate with us regarding any part of the claim process, including co-operating with our assessors and investigators or you fail to comply with the terms of your policy we may cancel your policy. We may also refuse to pay your claim (or part of you claim) or be entitled to recover any amounts paid under the claim if your failure caused or contributed to the loss claimed or our ability to seek recovery from another party (our liability in respect of the claim is reduced by the amount that fairly represents the extent to which the failure contributed).

Goods and Services Tax (GST)

Any amounts we may pay under this policy include GST.

When claiming, you will need to provide details of any entitlement to input tax credits on your premium if you are registered or should be registered for GST purposes.

When we make a payment to you for repair or replacement of an insured item and you would be entitled to claim an input tax credit for the repair or replacement, we may reduce the settlement amount we pay by the amount of that input tax credit.

Financial Claims Scheme

This policy may be a 'protected policy' under the Federal Government's Financial Claims Scheme (FCS), which is administered by the Australian Prudential Regulation Authority (APRA).

The FCS only applies in the extremely unlikely event of an insurer becoming insolvent and the Federal Treasurer making a declaration that the FCS will apply to that insurer.

The FCS entitles certain persons, who have valid claims connected with certain protected policies issued by that insurer, to be paid certain amounts by APRA.

Information about the FCS can be obtained from www.fcs.gov.au.
